BUILDING CAREERS, TRANSFORMING LIVES

GET for **Students**

# What's Common?

Stanford physician **Vanila Singh** has been appointed the new chief medical officer for the office of the assistant secretary of Health at the Department of Health and Human Services of the US

**Rajiv J Shah**, president of the **Rockefeller Foundation**, is a physician and health economist who as the head (administrator) of USAID was the senior most Indian American official in the Obama administration

**Vivek Murthy** became the **surgeon general of the US** in December 2014 and was the country's leading spokesperson for public health under the Obama administration; was removed from office by the Trump administration and is now a vice-admiral in the public health service commissioned corps

# Advantages of Studying Abroad

Studying abroad is an opportunity for students to gain new experiences and knowledge that cannot be achieved through local education. Here are some of the key benefits of studying abroad:

Modern Infrastructure

Latest Medical Technology

Low on Cost

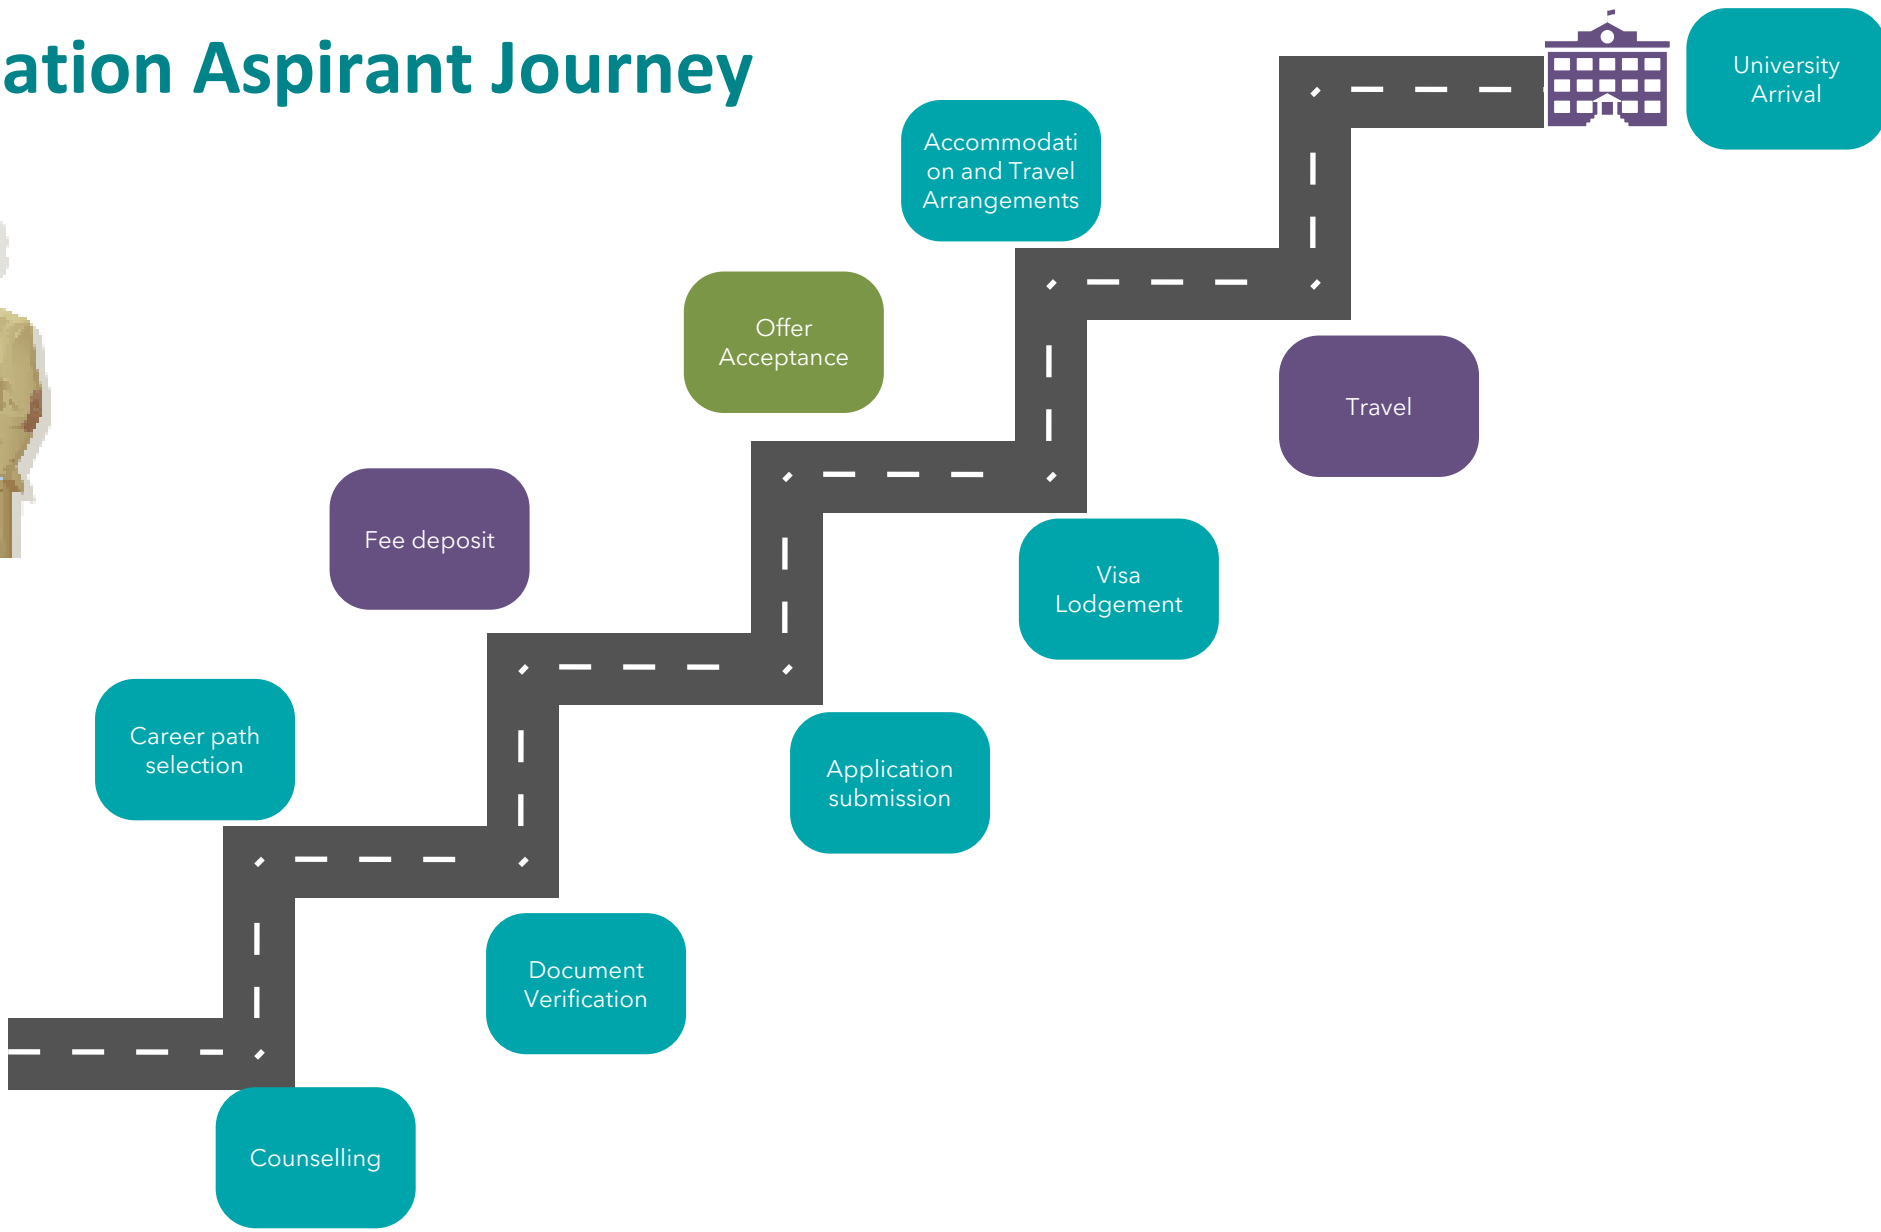

International Recognition

Same Exam

# International Education Aspirant Journey

# Who are GET?

Global Education Talent connects students and universities together **to achieve better results.**

We work for and with everyone.

With offices in the India and UK, GET is a uniquely positioned, **powerful AI EdTech organization**, using purpose-built AI platforms, algorithms, virtual reality and our in-house Education Search Engine '**GET Search**' to connect students to global education options.

A student's career is the priority for GET, and we ensure that the student is supported with right guidance in line with the dreams of his/her parents

# Our Vision and Mission

## Vision

Our vision is to bring the world of education closer together, making it more accessible to people across the world. We aim to connect students and institutions, creating a faster, easier path to global higher education and experience, empowering people to achieve their dreams.

## Mission

Our mission is to empower prospective students to shape their future, with our AI interactive GET Education Search Engine. We want to help young people experience culture and learning across the world, connecting them with educators and opening up channels to global study options.

# What they say about us?

Global Education Talent played an instrumental role in my university admissions journey for studying abroad. Their team guided me from start to finish, assisting with everything from selecting the right universities to preparing my application materials. Thanks to their expertise and support, I secured admission into my dream university and am now pursuing my higher education abroad.

I am immensely grateful to Global Education Talent for their exceptional support throughout my university admissions process. Their counsellors provided personalized guidance, helping me navigate the complex application requirements and ensuring that my profile stood out. Their dedication and professionalism made the entire process stress-free, and I am now enjoying my international education experience.

Global Education Talent exceeded my expectations in assisting me with my university admissions journey. From providing valuable insights about different study destinations to offering comprehensive visa guidance, their team went above and beyond to ensure a smooth and successful transition. Their commitment to my goals and their prompt responses to my queries made me feel supported every step of the way.

I cannot thank Global Education Talent enough for their unwavering support during my end-to-end university admissions process. Their experienced counsellors meticulously reviewed my application materials, helping me highlight my strengths and present myself effectively to universities.
